I hereby give assurance that:

- I have fulfilled my obligation for field review as required for the project as outlined in the previously submitted Letter of Assurance.
- I am a registered professional who is registered in the Province of Manitoba as a member in good standing with the Engineers Geoscientists Manitoba or the Manitoba Association of Architects;
- I, (or a suitably qualified person reporting to me, has) have completed periodic reviews of the project at appropriate stages of construction;
- Other than the exceptions listed below, in my professional opinion the construction of this project was carried out in substantial compliance to the applicable provisions of the Manitoba Building Code, the Manitoba Energy Code for Buildings, and the Manitoba Plumbing Code, and the plans submitted in support of the application for the building permit. This includes any additional plans, documents, review of plans and design decisions that have been part of my responsibility and related to Code issues applicable to my discipline that were not detailed as part of the submitted permit application.
- The design and construction of any building elements of a Part 9 building that are not compliant to Part 9 of the Manitoba Building Code (MBC) comply with the requirements of Division B, Part 4 or other applicable Parts of the MBC.
- I have informed the Authority Having Jurisdiction in cases where I am aware that the construction has materially deviated from the submitted plans.
- I am not aware of any deficiencies or I have reported any deficiencies to the Authority Having Jurisdiction that would compromise compliance with the aforementioned code(s).

List of Exceptions and Points of Non Compliance: *(May be listed on separate page if not enough space)*

 In my professional opinion, these point of non-compliance with the Manitoba Building Code, the Manitoba Energy Code for Buildings, and the Manitoba Plumbing Code are not material and do not pose a health or safety hazard to occupants of the building. In my professional opinion, the above-noted building may be occupied until _____ and on the following conditions *(list on separate page if necessary)* without compromising the health or safety of occupants.
